State Election Forum on Housing and Homelessness

Wednesday 18th of February, 6pm-8pm

Pilgrim Uniting Church Centre: 12 Flinders Street

Hear from people directly affected, services, and others, about the need for urgent action to tackle the housing crisis, as well as candidates for the Adelaide electorate.

Homelessness services are under-the-pump; we have 14,000 people on the public housing waiting-list; rents are still skyrocketing.

*What are we going to do about this?
And what are the candidates planning to do?*

**Hosted by Sister Janet Mead's
Adelaide Day Centre for Homeless
Persons, Anti-Poverty Network SA,
Aboriginal Drug and Alcohol Council,
Brian Burdekin Clinic, Pilgrim Uniting
Church, and Better Renting.**
